## WALT WHITMAN AND OTHER POEMS

*Walt Whitman and other poems* is the most recent work of poet and playwright Dic Edwards. It is his first collection. The poems here have been described by leading poet Robert Minhinnick (editor of Poetry Wales) as displaying 'tremendous power' and 'original imagery'.

Edwards' other work includes the plays *Casanova Undone*, *Wittgenstein's Daughter*, *Utah Blue*, *Franco's Bastard* and *The Pimp*. He also wrote the libretto for the controversial Keith Burstein opera *Manifest Destiny*.

He lives in Aberaeron overlooking the Irish Sea and teaches Creative Writing at Lampeter University.
